**MEC to receive learning materials and equipment from the power utility.**

MEC for Social Development Mme Nkakareng Rakgoale will be receiving learning materials and equipment on behalf of 39 Early Childhood Development Centres. The department's ECDs are found in the Mogalakwena Local Municipality.

The material includes educational toys and stationary especially selected for toddlers as well as Pre-Grade R and Grade R learners.

This initiative was implemented by Medupi-Borutho Section B 400kV Transmission Line project, which is now completed. The total length of the line is 90km.

The Medupi-Borutho Transmission Line is a World Bank funded project which forms part of the Medupi Integration projects. Medupi-Borutho Section B line cuts across several villages in the municipal area.

Members of the media are cordially invited to cover the event scheduled as follows:

Date: 4 October 2019

Venue: Rebone Community Hall (Steilloop)
