The MEC for Social Development, Mapula Mokaba-Phukwana recently visited Nyavani Village outside Malamulele Town under the Colins Chavani Municipality, to distribute school uniform to vulnerable children in the district. The symbolic handover of the school uniform including brand new school shoes, was held at Nyavani Assemblies of God Church. The Vhembe edition of the Department's Learner Support Programme, followed handovers to other districts in the province.

Mokaba-Phukwana says the purpose of the distribution of school uniform is to provide care and support to vulnerable families and children and to enable them to continue their education without any disruptions. “It also gives u the opportunity to ensure that these children can interact with their peers with dignity and pride and without fear of stigmatisation”, she continues.

The Department has distributed school uniform to 548 children in the province, starting from January 2018.03.13

Mokaba-Phukwana Building Upcoming Social Workers

MEC for Department of Social Development met University of Limpopo's Social Work students at their University to motivate them about the Social Work profession as well as giving them a light about their career, including the department's expectations from social workers. The gathering was held at Turfloop University on the 17th of March 2018.

Mokaba-Phukwana introduced an idea of a summit to the students to allow Social Science students to ask questions about all the challenges or effects that affect social workers. "I want to address the issue of unemployment in the social work environment, It is very said that the university is full but and after completing students are going to work in some car washes."
